Dear Parents,

Chairman's Message

Education is the basis of all progress. It is for this very reason that we forayed into education, about 8 year over a years and a half of experience has taught is that progress is possible only if men and women are equally well educated. The entire purpose of education is not to restrict itself to imparting bookish knowledge only but inculcate humanitarian values like wisdom, comparison, courage, humility, integrity and reliability in a students. We just like you, believe in holistic education for your child, encompassing – academics, co-curricular activities, sports, education and life skills learning. Our endeavour is to strike a balance between state of art, infrastructure and an internationally acceptable education.

At Sri Vidyalakshmi group of Institution we impart education that is based on conscience and we rear a breed of young minds that are bustling with self confidence, motivation and ever ready to take up challenges. The campus, sports and academic facilities all bear testimony to this effort. In order to promote an internationally acceptable education, our key focus has been on faculty development providing continuous teacher training in order to deliver real value education and excellence in academics are trained not only to teach well but are also expected to inspire confidence and trusted in their students and become role models. Further, the school inculcates in the students a respect for tradition and ensure discipline and good manners. Sri Vidyalakshmi International Public School / College encourages students to learn about themselves and their constantly changing environment, while at the same time offering support and guidance as they practice decision making and social skills.

With warm regards

H.R.JAYARAMAIIH

Chairman

Sri Vidyalakshmi Group of Institutions

Marching Ahead Our Vision and Mission

Sri Vidyalakshmi seeks to create a challenging yet conductive learning environment that inspires excellence and encourages high performance through engagement of varied instruction that allows for individual difference and learning styles.

We promote a safe, caring and supportive environment where every person can learn the respect from one another. We have also designed the use of innovative techniques to enhance life-long learning through technology, multiple intelligence, varied instructional strategies and interdisciplinary connects. We also promote sportsmanship and school / college spirit and we share our deliverse cultural background to nurture growth and responsibility while at the same time celebrating our diversity within a positive school atmosphere.

Philosophy : Unchanging values in changing times. Bring out the students not only intellectually well equipped but also enable them to become socially committed citizen.

In fact the school epitomizes these four core values that were synonyms with our chairman.

Courage : Courage was a core values that always led to accept the most challenging assignments in life, be it personal or professional in nature. He always believed in facing challenges head on and overpowering them by his courageous mind and strong willed character.

Compassion : The ability to reach out to serve and help people in need was driven by the compassion in his heart and the purity of mind.

Equality : Another great values that became an integral part of personality was his ability to treat everyone equally.

Integrity : Integrity was his uncompromising attitude to his belief system, his complete and inflexible commitment to what he believed as righteous to his commitment to accept challenges.

A message from the principal : Hello, welcome to SRI VIDYALAKSHMI GROUP OF INSTITUTION, It is an amalgamation of competent teacher, state of the art, infrastructure and an experienced and efficient administration. The school came into existence with the vision of creating a safe and supportive environment for its students to provide a perfect balance of academics, sports, artistic and social opportunities. Childhood youth and learning should be a joy and we strive for that. The school / college genuine concern ensures students emotional growth along with intellectual excellence. This empowers them to develop their self-esteem, self awareness and self confidence, sharing ideas, analyzing situations and expressing them confidently are essential skills which are honed here through experiential learning.

While studying at the school, the students will be groomed to become confident articulate and enlightened young citizen ready to step into global society with dignity, honour and integrity. We believe in giving our students strong values along with a set of wings which may carry them far and wide. In other words our students are equipped to face the challenges of the rapidly changing world. We rear students who are creatively curious and strive to experiment and innovate new things on both academics and non-academic fronts, our pedagogy is child-centric with emphasis on enquiry and project-based learning. We treasure dynamism and deem that one should be well prepared to adapt to the global scenario and work on his learning accordingly. This is perhaps why we have introduced a globally advanced curriculum. Beside rigorous scholastic programmer, we seek to develop and nurture the different facets of a child from academic developing both, the mental and the physical abilities of a student where in child is able to explore his true potential. Beside the usual procedural teaching, we persistently upgrade and update our teaching tools and techniques from interactive teaching methods to a healthy teacher student relationship, we work around making studies as effortless as possible. Today's India is an empowered, enlightened and enterprising nation, we wish to make it even more powerful with conscientious smart and confident citizen who would make us proud of their multifaceted growth.

A message from the Administrator :

I would like to thank the almighty for the past and placing ourselves under her protection and guidance for the future. We have completed eight years of striving, dedication, hard work and sincerity in our endeavour for providing equality education looking back on the past years one has to acknowledge that Sri Vidyalakshmi International Public School / College has done an excellent and outstanding service for the cause of education in the most congenial and healthy environment.

The concept of education has changed in a big and seemingly unmanageable way in the recent time, adherence to the rejection of certain practices have thrown up new challenges. Today, education has opened new vistas, improvement of 'self' remains not only a non changing factor but has assumed greater significance. School / College and teachers have a important role to play in the life of a student. He / she has to accomplish something more than imparting knowledge. SRI VIDYALAKSHMI GROUP OF INSTITUTION is most prestigious CBSE school in the terai belt which has registered CBSE cluster and produced excellent result in board and competitive examinations. SRI VIDYALAKSHMI GROUP OF INSTITUTION provides specialized and qualified professional counselors for career and personality development of the students. Often quality workshops are organized to motivate teachers and students for better tomorrow. In our curriculum technology aids, powerpoint presentation, smart class room with interactive board and audio visual room are part and parcel in our teaching. I feel glad to say that SRI VIDYALAKSHMI GROUP OF INSTITUTION is best equipped with all technological aids which our student acquire and imbibe for their bright future. Besides a wonderful infrastructure the student of SVIPS live in an era that has been greatly enriched by a dedicated teaching faculty the school prides itself of a teaching staff that is totally devoted to the cause of child development backed with rich experience.

SRI VIDYALAKSHMI GROUP OF INSTITUTION strives at developing future leaders who can lead lives in any dimension and therefore aims to factor its children in an environment where each child can realize his innate potential. Our motto is to strive for excellence and is the guiding light for the grand vision that we have for our children.

Values to children

- *Moral education means an ethical education to follow the good and right principles of life. It consists of some basic principle like.
- * Adjusting and compromising. Helping mentality, Respecting Religion, Justice, Honesty. Never hurt anyone. Cultivate love for education, kindness and empathy, hard work and preservice, love for self, family and other, courage, gratitude, curiosity
- * This is the present scenario and it has to undergo a change as the country's future depends on its children.

Tips for the Parents

- *Help your child to manage homework.

- * Work with a friend
- * Ask questions seek answer
- * Harness your wandering mind
- * We care, we share for the future we prepare
- * stick on to time bound

Quality Based New Education policy :

New trends in education are adopting the policy of transformation from teacher centered to Child centered to child inspired education'.

We in our Institutions believe that a sense of purpose fuelled by velocity of approach will result in accelerated space of learning in schools as centered of Excellence. Education today is not 'Time-based', it is 'Outcome -based'. We in our Institution provide scope for research and developmental schemes by introducing 21st century Life skills.

- * Analytical Skills
- * Ability to apply Concepts
- * Solve application based problems
- * Comprehend and analysis written text and Effective - communication

These skills ensure success in high order thinking skills (HOTS)

Our unique feature is effective use of technology, implementation of e-learning involving new methods and techniques to enhance and transform teaching and learning process. Internet facility and a vast array of digital resources and content is used for this purpose. With your kind patronage and continued support, we are marching ahead by providing excellent infrastructure, e-learning by introducing **Smart classes and extending equal importance to sports, yoga etc.**, and providing learning opportunities in the co-scholastic domains.

New dimensions of the 21st Century including life skill education, Communicative approach in English language, participation in sports and games emphasizing the development of the complete person and promote excellence at all the levels of education is implemented. We reaffirm our commitment to do the best for your ward. We acknowledge regular feedback from the parents and are open for suggestions and improvement. We are premier quality and standards.

- In pursuit of excellence in the aspects we pledge to commit.
- Prompt and accurate monitoring of parents queries.
- Continual academic improvement for the well being of students
- Activity approach of Learning for an all round development of pupil's
- Implementation of e-learning and providing state- of -art facility.
- Providing best infrastructure of modern laboratories, well equipped library, swimming pool, sport complex and karate, Martial arts.
- Organizing counseling sessions.
- Special coaching by subject experts specially for students appearing for Board Examinations.

Sri Vidyalakshmi Kidzee : Learning Through Fun

Unlocking the star potentials of the child Story-telling & role playing technique Education through fun filled Activities Multifaceted personality.

Sri Vidyalakshmi Kids' is incubated in Sri Vidyalakshmi International Public School and subtly prepare the child to enjoy the childhood while inculcating the right educational ethical values. It is done so masterly that Sri Vidyalakshmi Kids campuses are fun-places where a child would love to go instead of running away from them. They offer a relaxed environment , just right for stress free learning. Here education and fun to hand in hand using the latest teaching methods to develop the real life skills like cognitive skills,; linguistic aptitude, social skills, sensory perceptions etc. The best part come in the methodology part where these complex skills are developed in a student participative way though interesting activities like kinder music or songs, story-telling,; role playing circle time and other time proved techniques. The toddlers are also encouraged to unlock their artistic person as they celebrated different festivals, participate in different type of extra- curricular activities like arts and craft etc. In order to take care of their comfort, the school has state of the art infrastructure. Grooming in their formative years makes every child come out as a healthy and wholesome individual with multifaceted personality.

Karate :

A martial art is a form of fighting and an art that has a set way of practice. There are many martial arts that come from certain countries. They are practiced for many reasons: fighting, self-defense, sport, self-expression, discipline, confidence, fitness, relaxing, and meditation.

Karate exam was held at Sarojini memorial school in Ullal road and was organized by Ashoka Martial arts academy (R). Students have taken up yellow Belt exams and been awarded with yellow belts and certificate. Finally Individual photo were given to the students and group photo session was held with our honourable Principal sir .

Graduation day

A graduation ceremony is always such a special occasion – the culmination of years of hard work, the actualization of goals attained and the acknowledgement of successes achieved. We have some trials and tribulations along the way.

“Education is the most powerful weapon which can be used to change the world”.

Parents are the backbone of the children and the family. They are the source of endless selfless love and support throughout the life of a child and also the guiding star for a better future. As such, an appreciation wish for the parents goes a long way to make them feel good and happier. The appreciation wishes for parents.

Appreciation Message From "Parents"

1) Pre – Primary wing :

School for over 8th years now, currently we have two children's studying in grade II and **LKG – Ruchitha Gowda.HU.** My younger daughter who is in LKG has been nominated for the best parent award. We are very proud to be a part of this school. We are extremely happy with all that SVIPS offers our children. We are pleased with the ethos of the school which aspires to identify the each Childs capability and provides an environment that

enables all children to achieve their potential. The school iproactive in ensuring the overall development of the child and the quality of teaching is excellent.

The management and staff are very approachable and own to suggestions. Their focus on the Childs well – being rather than only academic performances refreshing. The warm and loving bonds that are for good between teachers, students and staff are heart – warming.

We pray the school continues to grow and strengthen their core vision that makes them unique from other schools.

2) Primary wing :

We have glad to the best parent of the year 2019-20 from primary wing **Gokul P of grade V.** The teachers were always genuinely committed to express his potential to the fullest. They were also much opened to parental feedback and made sincere efforts to implement recommendation to the extent possible. he school maintains strong safety standards and impressive level of hygiene.

The values good manners and discipline that the school emphasis was an added bones. Our sincere thanks to the management and staffs and we are very proud to be a part of the school.

3) Secondary wing :

Firstly it was a great moment in our life for having been selected for the best parent from the **secondary wing - Subrahmanya Prasad Simha A of Grade X**. Also I take this opportunity to appreciate the management and staff for their dedication and innovations towards children's, in not only developing the curricular and co – curricular activities but also have put a hard

foot and developing the children for social responsibilities and human values.

Human values of the virtues that guide us to take in to account the human element when we interact with the other human beings. Human values are, for example, respect, acceptance, consideration, appreciation, listening, openness, affection , empathy and love towards other human being.

Three years back when I dedicated to shift my daughter and son from the previous school I had so much of opposition from friends, relatives, neighbours and even family but today more than me all these people are feeling proud of my decision and all the fame and success I dedicate it to the team of Sri Vidyalakshmi International Public School. A heart filled wishes to one and all. Awards and ceremonies are all and applause of discipline.

Thank you teacher and management team for bringing out the best in all your students.

Appreciation Message From “Management”

Parents play a very important role in every child's life. We seldom get opportunities to thank our parents in public.

Appreciation wishes from Management to parents are sent as a thanks giving for the parents that they selected our school for enrolling their ward and educating the students in a better way.

“Dear Parents, we appreciate your trust you have in us that you have selected our school among all for enrolling your child for a better education. We extend our thankful wishes to you and promise that we would work harder for a better development of your child.”

“VALUES - Everyone at “SRI VIDYALAKSHMI” commits To”

- * Being kind, honest and healthy.
- * Work hard and never giving up.
- * Confronting issues and being open to change.
- * Being punctual and looking smart.
- * Admitting and learning from mistakes.
- * Working together and sharing.

Our Children have a second trusted home. “SRI VIDYALAKSHMI” and that's why we feel that we must inform you that “you are appreciated and the work you do and the support you give to the learners and in future they will see their kids progress here.
