Dear Parents,

## Hon'ble CHAIRMAN'S MESSAGE

Education is the basis of all progress. It is for this very reason that we forayed into education, about 11 years over a years and a half of experience has taught is that progress is possible only if men and women are equally well educated. The entire purpose of education is not to restrict itself to imparting bookish knowledge only but to inculcate humanitarian values like wisdom, comparison, courage, humility, integrity and reliability in students. We, just like you, believe in holistic education for your child, encompassing – academics, co-curricular activities, sports, education and life skills learning. Our Endeavour is to strike a balance between state of art, infrastructure and an internationally acceptable education.

At Sri Vidyalakshmi group of Institution we impart education that is based on conscience and we rear a breed of young minds that are bustling with self confidence, motivation and ever ready to take up challenges. The campus, sports and academic facilities all bear testimony to this effort. In order to promote an internationally acceptable education, our key focus has been on faculty development providing continuous teacher training in order to deliver real value education and excellence in academics. Teachers are trained not only to teach well but are also expected to inspire confidence and trust in their students and become role models. Further, the school inculcates in the students a respect for tradition and ensure discipline and good manners. Sri Vidyalakshmi International Public School encourages students to learn about themselves and their constantly changing environment, while at the same time offering support and guidance as they practice decision making and social skills.

With warm regards

**H.R.JAYARAMAIAH**

Hon'ble Chairman

## Marching Ahead Our Vision and Mission

Sri Vidyalakshmi seeks to create a challenging yet conducive learning environment that inspires excellence and encourages high performance through engagement of varied instructions that allows for individual difference and learning styles.

We promote a safe, caring and supportive environment where every person can learn to respect from one another. We have also designed the use of innovative techniques to enhance life-long learning through technology, multiple intelligence, varied instructional strategies and interdisciplinary connects. We also promote sportsmanship and school spirit and we share our delivers cultural background to nurture growth and responsibility while at the same time celebrating our diversity within a positive school atmosphere.

Philosophy : Unchanging values in changing times bring out the students not only intellectually well equipped but also enable them to become socially committed citizen.

In fact the school epitomizes the following four core values that were synonyms with our chairman.

Courage : Courage is a core value that always leads to accept the most challenging assignments in life, be it personal or professional in nature. He always believed in facing challenges head on and over powering them by his courageous mind and strong willed character.

Compassion : The ability to reach out to serve and help people in need was driven by the compassion in his heart and the purity of mind.

Equality : Another great value that became an integral part of personality was his ability to treat everyone equally.

Integrity : Integrity is his uncompromising attitude to his belief system, his complete and inflexible commitment to what he believed as righteous to his commitment to accept challenges.

**A message from the principal:** Hello, welcome to SRI VIDYALAKSHMI GROUP OF INSTITUTION, It is an amalgamation of competent teachers, state of the art, infrastructure and an experienced and efficient administration. The school came into existence with the vision of creating a safe and supportive environment for its students to provide a perfect balance of academics, sports, artistic and social opportunities. Childhood youth and learning should be a joy and we strive for that. The school's genuine concern ensures student's emotional growth along with intellectual excellence. This empowers them to develop their self-esteem, self awareness and self confidence, sharing ideas, analyzing situations and expressing them confidently are essential skills which are honed here through experiential learning.

While studying at the school, the students will be groomed to become confident articulate and enlightened young citizen ready to step into global society with dignity, honor and integrity. We believe in giving our students strong values along with a set of wings which may carry them far and wide. In other words our students are equipped to face the challenges of the rapidly changing world. We rear students who are creatively curious and strive to experiment and innovate new things on both academics and non-academic fronts; our pedagogy is child-centric with emphasis on enquiry and project-based learning. We treasure dynamism and deem that one should be well prepared to adapt to the global scenario and work on their learning accordingly. This is perhaps why we have introduced a globally advanced curriculum. Beside rigorous scholastic programmes, we seek to develop and nurture the different facets of a child from academic developing both, the mental and the physical abilities of a student where in child is able to explore his true potential. Beside the usual procedural teaching, we persistently upgrade and update our teaching tools and techniques from interactive teaching methods to a healthy teacher student relationship, we work around making studies as effortless as possible. Today's India is an empowered, enlightened and enterprising nation, we wish to make it even more powerful with conscientious, smart and confident citizens who would make us proud of their multifaceted growth.

**A message from the Administrator:**

I would like to thank the almighty for the past and placing ourselves under her protection and guidance for the future. We have completed Thirteen years of striving, dedication, hard work and sincerity in our endeavor for providing equality education, Looking back on the past years, one has to acknowledge that Sri Vidyalakshmi International Public School has done an excellent and outstanding service for the cause of education in the most congenial and healthy environment.

The concept of education has changed in a big and seemingly unmanageable way in the recent time, adherence to the rejection of certain practices have thrown up new challenges. Today, education has opened new vistas, improvement of 'self' remains not only a non changing factor but has assumed greater significance. School / College and teachers have a important role to play in the life of a student. He/she has to accomplish something more than imparting knowledge. SRI VIDYALAKSHMI GROUP OF INSTITUTION is most prestigious CBSE school in the terai belt which has registered under CBSE cluster and produced excellent result in board and competitive examinations. SRI VIDYALAKSHMI GROUP OF INSTITUTION provides specialized and qualified professional counsel for career and personality development of the students. Often quality workshops are organized to motivate teachers and students for better tomorrow. In our curriculum technology aids, powerpoint presentation, smart class room with interactive board and audio visual room are part and parcel of our teaching. I am glad to say that SRI VIDYALAKSHMI GROUP OF INSTITUTION is best equipped with all technological aids which our student acquire and imbibe for their bright future. Besides a wonderful infrastructure, the students of SVIPS live in an era that has been greatly enriched by a dedicated teaching faculty, The school prides itself of a teaching staff that is totally devoted to the cause of child development backed with rich experience.

SRI VIDYALAKSHMI GROUP OF INSTITUTION strives at developing future leaders who can lead lives in any dimension and therefore aims to factor its children in an environment where each child can realize its innate potential. Our motto is to strive for excellence and is the guiding light for the grand vision that we have for our children.
